History:

The Sandra Watkins Election Law Scholarship was established in October 2017, in honor of Sandra's long time passion, service, and commitment to educating municipal clerks through the TMCCP Election Law seminars where she served as co-presenter for seven years on the Early Voting process for the TMCCP Election Law Seminar. She also co-authored Chapter 12, "Records Management," and

Chapter 15, "Professional Etiquette and Protocol" of the *Texas Municipal Clerks Handbook*, 10th edition.

Sandra began municipal service in Deer Park in 1985 as the Deputy City Secretary, she was appointed City Secretary in May 1992, and retired from her service on February 28, 2017. She proudly served the state executive board for the Texas Municipal Clerks Association as Trustee from 2011-2013, as Secretary in 2014, Treasurer in 2015, and Vice President in 2016. Past service at the state level has included Historian, chair of the Resolution Committee, chair of the TML Booth Committee, chair of the Scholarship Committee, member of the Nominating and Audit Committees, and board liaison. She served as a member of the Texas Municipal Clerks Certification Committee for three years.

Sandra was an active member of the Salt Grass Chapter, held all elected offices, served on various working committees, and served as co-presenter of the Houston-Galveston Area Council Election Workshop for eight years.

In Sandra's own words, "Not every city can provide support to their municipal clerk because of financial issues. I feel every municipal clerk should have the opportunity to attend seminars that would benefit them in their endeavor to be their best for their city, especially the Election Law seminar because that is one process every municipality conducts."
