President’s Message

What is a public servant? The dictionary defines a public servant as an elected or appointed governmental official. I believe that is true, but I also believe that a public servant is so much more. I believe that we are called to serve each other wherever we are. As municipal clerks we have an awesome opportunity to serve. Not only do we serve our communities and our citizens, but we serve each other. I’m always so proud that we have so many municipal clerks who are willing to lend a helping hand to the new municipal clerk, but just as proud of each of you who step up to assist that clerk who has been in municipal government for a number of years.

We talk about having a “heart of a public servant.” What exactly does that mean? To me that means
stepping up to do whatever I can to serve in whatever capacity I can to make the world a better place and to do that with as much passion as possible. We all know that municipal clerks wear many hats. We talk about that all the time. How do you suppose that happened? Recently, I was talking to a group of municipal clerks at one of my chapter visits about celebrating Municipal Clerks Week. I was telling them how we joke about the municipal clerk profession being the oldest profession. The first municipal clerks were actually the record keepers for the city. As time went on, more and more things needed to be done, and it was the municipal clerk who was asked to take on the new job responsibility. And, of course, having the heart of a public servant, the clerk was happy to take on another responsibility. Eventually, the municipal clerk’s office evolved to where we are today. While sometimes we feel like we can’t possibly take on another task, I’m thankful to be able to serve my community. We make a difference in the lives of our citizens.

While this is just my rendition of how I think this happened, it makes perfect sense to me. We are so involved in our communities that when we see something that needs doing, we eagerly make it our responsibility to see that it gets done. And on a greater scale, municipal clerks step up when called upon by the Texas Municipal Clerks Association to mentor a new clerk in a neighboring city; to instruct a class or convene a session at the TMCCP Election Law Seminar; or to serve on a TMCA, Inc.,
President’s Message

committee in the coming year when asked by the TMCA president elect. We all have many opportunities to serve, and I urge you to eagerly look for those opportunities.

We are fortunate to have so many talented municipal clerks who continue to serve even after retirement. Marty Hendrix, TRMC, retired city secretary, Fort Worth; Susie Quinn, TRMC, retired city secretary, Rowlett; and Deloris McKenzie, TRMC, retired city secretary, Friendswood, instructed at the TMCCP Election Law Seminar in January. Marty Hendrix also instructed the “Agendas & Minutes” session at the June seminar in Nassau Bay. Municipal clerks continue to serve wherever or whenever needed. They continue to give back to the profession they love. They truly have the “heart of a public servant.”

I celebrate you and the job you do for your city. Yes, you are an appointed governmental official, but you are so much more than that. Serve gladly and serve passionately. Be optimistic: WE ARE creating the future.

It is my honor and pleasure to serve as your 2012 TMCA president.

Honoring 2012 TMCA Retirees

By Retirement Committee Chair Linda Byers, TRMC
City Secretary, Vernon

The TMCA Retirement Committee already has information on some of the early 2012 retirees that have been received in the TMCA office, but we certainly do not want to overlook any of the wonderful clerks who have helped us out over the years. We want to honor each and every one of these retirees at the TMCA Awards Banquet at our TMCCP Graduate Institute this October in San Marcos.

If you know of a recent retiree or someone who is planning retirement this year, please have them complete the brief 2012 Retiree Data Sheet and return it to me or another of the Retirement Committee members.

These wonderful leaders deserve recognition for their service. Please assist us in honoring them. ★

2013 TMCA Committee Service

By President Elect Norma Grimaldo, TRMC
City Secretary, Odessa

Application deadline is September 1—apply today!

Our TMCA committees are very valuable to our association. I have seen our committee members’ diligent work and the seriousness with which they have taken responsibility to work together to accomplish the important goals of each committee.

Serving on a TMCA committee can be very rewarding—whether through

- scoring scholarship applications on the Scholarship Committee and awarding funds for the continuing education of our clerks;
- scoring Municipal Clerk of the Year nomination forms as a member of the Municipal Clerk of the Year Committee;
- composing the resolutions of the Resolutions Committee that highlight the accomplishments made by members and friends of our association;
- serving on the Retirement Committee to recognize and celebrate with our retirees for their many years of dedication given to our profession;
- reviewing and revising educational policies in serving on the Certification Committee;
- assisting in the selection of the future leaders of our Association with the Nominating Committee;
- showcasing TMCA as you work with fellow TML Booth Committee members;
- ensuring the financial accountability of our Association by offering service on the Audit Committee; or
- recruiting new members through the efforts of the Membership Committee.

As you can see, there are many opportunities to participate and be a part of the legacy of TMCA. Each one of you has a contribution to make. It’s no secret that the Texas Municipal Clerks Association is made up of tremendously talented individuals.

Consider serving on one of the committees in 2013. Whether you have previously served on a committee or this is your first time, you will form a camaraderie with other members of our profession.

Let’s continue our outstanding accomplishments through the committees. Fill out the Committee Interest Questionnaire and note your preferred choices of committee service. If you have any questions, call me at 432-335-4163. I look forward to hearing from you.
IIMC Conference

By IIMC Region IV Director Mary Kayser, TRMC
City Secretary, Fort Worth

May 20-24, Portland, Oregon

The 2012 IIMC conference was awesome. The Oregon clerks did an outstanding job hosting this conference. The education sessions and special events were excellent.

The IIMC Board of Directors arrived Thursday and met on Friday for Board Development and Strategic Planning. The board has spent five years developing, modifying, and adding to the strategic plan for the organization. We all know that if you don’t update and tweak your plan it goes stale. IIMC is committed to updating and changing the plan as the organization grows and changes. As part of this discussion we talked about the “I” in IIMC—our international clerks and how IIMC can better meet their needs in education and networking. We also spent part of Thursday discussing “Clerk-dom”—discussing who we are and what we do and how to

better get the word out to our citizens, bosses and co-workers about what it is exactly that we do. We do not tell our story often enough, and we don’t tout our professionalism and education as much as we should. Be looking for further items from IIMC on this topic in upcoming Digest articles or E-Briefings.

Friday was the board meeting, and it was productive. We adopted a Memorandum of Understatement with AMCTO (Association of Municipal Managers, Clerks and Treasurers of Ontario). This agreement formalizes our relationship with AMCTO and its members and we will be exploring partnerships for educational opportunities for both groups.

There was a great deal of discussion about Region 11 (everyone outside of North America). Changes were made to the education guidelines related to Regions 10 and 11 to help fold their education requirements into IIMCs and make the attainment of CMC and MMC status more streamlined.

President Nicol established a Blue Ribbon Panel to explore alternatives and make recommendations to various procedural and
IIMC Conference

policy changes that will help to make processes behind our Education programs more efficient and adapt to the changes and challenges that face IIMC and its members. The Blue Ribbon Panel is to report back to the Board by July 1. Our very own Mary Lynne Stratta, TRMC, city secretary, Bryan, is on the panel along with other IIMC leaders who are passionate about education. I am looking forward to hearing their findings.

The institute directors met with staff and had lots of discussion among themselves about clerk education and what is working and what could be better. I was able to sit in on some of the conversations, and they were productive. IIMC is a growing and maturing organization, and since our principal mission is education we have to focus on ensuring that we are providing the best education for our clerks and that we are adapting to the changes in technology and budgets.

and needs of the clerks. We are definitely going in the right direction.

We had reports from all of the IIMC Committees. These committees worked hard this year, and the reports we well received. If you served on a committee last year or are serving this year—THANK YOU!!

Financially IIMC is in excellent shape. Our membership drive has resulted in 81 new members since its inception. The Conference in 2016 will be in Omaha, Nebraska. All good news.

If you have any questions about anything the board discussed, please contact me, and I will be happy to answer questions or provide more information.

The conference itself was outstanding. There were sessions on Records and Information Management, Disaster Preparedness, Communication, Ethics, Collaboration, Mediation, and Budgeting, to name a few. It was hard to pick which session to attend some days; they all sounded great. My particular favorite was one entitled “When Emergencies Attack.” The clerks from Mill City, Oregon; Wilmington, Vermont; and Joplin, Missouri, discussed the emergencies faced by their municipalities (fire,
flood, and tornado respectively). The clerks discussed what went right; what they didn’t know; and what they wished they had done beforehand. Hearing from those who have faced a disaster personally really gives you things to think about that you could do right now. What would I save? What will the insurance company need so that I can get back to work quickly even in a different location? Do we have backups of everything we need (water billing records) to ensure that income is coming in? In the case of the two cities that had floods and tornadoes – what happens to your tax base when everything is gone? This was an outstanding session with information that you could take home and use.

All in all the conference was a success. As you can see from the pictures, Texas had a great showing, as did Region 4. TMCA President LeAnn Gallman did us proud with the Texas flag!!

If you haven’t already, make plans to attend next year’s IIMC conference in Atlantic City, New Jersey, May 19-23, 2013.

The next Region 4 meeting will be December 6-8, 2012, in Rodgers, Arkansas.

It is an honor and a privilege to serve as one of the IIMC Region 4 Directors. ★

It is amazing just how fast the year goes by as we attend meetings, plan elections, and deal with the many tasks that keeps our profession interesting – not to mention the many parents that serve in this profession and take care of responsibilities at home and with the family. On a personal note, my “baby” boy (the last of three) will graduate from high school this year and enter a new chapter of his life. Talk about time flying by! If you have little ones still in school, enjoy them while you can.

By the time this article publishes, the May 12, 2012, general elections will be behind us, and a few of us may be preparing for a runoff; the primary elections will have just wrapped up as well; and the North Texas Chapter (NTMCA) will have wrapped up the plans for our annual awards meeting in June. This is the time of year when we announce the NTMCA Chapter Clerk of the Year, the nominee for TMCA Municipal Clerk of the Year, and award scholarship(s) in memory of Alyce Deering, TRMC.

Before I continue, I want to take this opportunity to encourage each and every one of you—“new kids” and “veterans” to reach out to one another—whether to offer advice or ask for advice. I did not know Alyce Deering well, but I certainly knew OF Alyce. Alyce served as the Hurst City Secretary for close to 17 years before losing a courageous battle with Acute Myelogenous Leukemia (cancer of the blood and bone marrow) in 2005. I admired Alyce from a distance as I was the “new kid” on the block, and she was the seasoned “veteran.” I have heard many stories about Alyce over the years and of the many great relationships that she formed with her fellow clerks—I can’t help but feel I missed out by not having some sort of relationship with Alyce. Don’t miss out: take the time to form relationships with your fellow...
clerks. You gain more than you can even imagine. Attending the monthly chapter meetings and the TMCA seminars is the perfect opportunity to get started on forming relationships that will carry you through the good times and the not-so-good times. Please join us in June as we celebrate some good times, recognize some exceptional folks, and honor Alyce’s memory.

Additionally, the NTMCA is keeping pace and it has been quite busy this year:

**Professional Seminar**

Another excellent Professional Seminar was held in Trophy Club in March. The committee did a fabulous job in selecting a venue, setting the program, and securing speakers and sponsors. My heartfelt thanks goes to the committee for their efforts: thanks to Chair Mary Supino, city secretary, Arlington; Shannon DePrater, town secretary, Trophy Club; and Amy Arnold, TRMC, city secretary, White Settlement.
**April Meeting**

Special thanks goes to April Hill, TRMC, city secretary, Roanoke, for serving as host for the NTMCA monthly meeting in April. We were welcomed by City Manager Jimmy Stathatos and Jon Stigliano, President and Founder of Strategic Solutions Group. We were presented with helpful tips, including “maximizing your productivity,” “prioritizing by priority and not preference,” and “the more, less, continue theory.” We are pleased to welcome Jon back to visit with us in August in Burleson.

I hope that you will join us at one of our upcoming meetings as we continue the NTMCA Empowerment Speaker Series.

Upcoming meetings:

- **June 20** - Southlake – Annual Awards Luncheon
- **July 18** - Highland Village
- **August 15** - Burleson
- **September 12** - Bedford

The quarterly meeting for the Northeast Chapter was held on March 23 at Tradition’s Family Restaurant in Tyler (one of our favorites). All attending enjoyed an interesting session of “Exciting/Frightening Issues.”

The chapter is excited to be sponsoring another seminar this summer: The Government Treasurers of Texas will be presenting a “Cash Handling” seminar on June 15 from 1-5:00 p.m. at Maude Cobb Convention Center in Longview. You can register for the event at the GTOT website. This is a good time for learning and fellowship. The business meeting will be held at 10:30 a.m. at Cotton Patch Cafe on McCann Street.

The Northeast Texas Chapter encourages its members to apply for its annual certification...
scholarship. Applications are available by calling Ore City City Secretary Gail Weir, TRMC, at 903-968-2511, or emailing cityoforecity@etex.net. Applications should be returned by July 30 by mail to Mrs. Gail Weir, 302 East Main Street, Ore City, Texas, 75683.

Carthage City Secretary Donna Sickel reported that she is having her first election, and the city’s first since 1994! She is in for an experience, and appreciated all the advice. Some related various cutbacks cities will be making. One of the best things about our chapter and the state association is the availability of years of knowledge from our peers.

We look forward to seeing you at our “Cash Handling Seminar” June 15! ★

Panhandle Chapter

By Chapter Secretary Karen Price, TRMC
City Secretary, Pampa

The Panhandle Chapter met for our bi-monthly meeting on February 16 at 11:30 a.m. at The Amarillo Club in Amarillo. President Gretchen Mercer called the meeting to order and welcomed everyone in attendance. She introduced our speaker, Dr. Dave Rausch of West Texas A&M University, and our special guest TMCA 2012 President LeAnn Gallman, TRMC, city secretary, Muleshoe.

President Gallman shared information regarding the upcoming TMCCP Public Funds Investment seminar being held in Waco on April 12-13. She expressed how good a speaker Patrick Shinkle is and encouraged all to try to attend. She also informed us that the City of Muleshoe will be hosting the TML Small Cities Problem Solving Clinic on April 20.

President Mercer was pleased to congratulate Friona Deputy City Secretary Kelly Daniel, TRMC, for receiving her Texas Registered Municipal Clerk
Certification. She also recognized other members not in attendance for receiving their TMCCP certification or recertification.

In chapter business, the December 2011 meeting minutes were approved. President Mercer reminded our members that since we are hosting the August 9-10 TMCCP seminar, we would try to have our August chapter meeting immediately following Thursday, August 9 class.

Next Dr. Dave Rausch of West Texas A&M University gave a program on “The Backchannel and Citizen Engagement at Local Government Meetings.” The program focused on city commissioners/council members being able to respond (in real time) to questions from the public sent to them by smart devices during meetings or public hearings.

The next chapter meeting was scheduled to be held on April 19 at The Amarillo Club.

Members in attendance at the February meeting were:
Frances Childers, city secretary, Dalhart
Machiel Covey, city secretary, Clarendon
Kelly Daniel, TRMC, deputy city secretary, Friona
Cheryl Gibson-Salgado, TRMC, city secretary, Spearman
Gretchen Mercer, city secretary, Canyon

The Red River Chapter held their quarterly chapter meeting March 21 at Pasquals Restaurant in Wichita Falls.

Action was taken on Chapter Business, which included approval of the December 7, 2011, minutes and the treasurer’s report through March 2012.

A brief brainstorming session was held to discuss viable programs for our chapter. Program suggestions were Open Government Training, Open Records Training, and Notary Training. Several avenues will be explored to provide necessary training since some of the members are unable to attend long-distance seminars.

The TMCCP “Public Funds Investment” seminar (April 12-13 in Waco) and the TMCCP “Agendas, Minutes, Open Government” seminar (June 7-8 in Nassau Bay/Houston) were announced.

Since it is election time in Texas, we took this opportunity to hold a round table discussion on elections, redistricting, and related issues/concerns. It is a meeting that we look forward to because we are able to share with each other and to ask election questions and to request help in our upcoming elections.

Those of us who are conducting elections provided information on our preparations, problems, solutions, as well as asked questions. Everyone participated in the discussion, giving input on how each resolved matters at hand, while others received information to assist them with their elections. It was a valuable exchange of information and ideas. We all went away better informed on elections, as well as with contact information.

Next meeting will be held June 20 at 1:00 p.m. at Pasquals. We invite anyone who wants to visit us to just show up! We welcome you.
